Recycling Data Report Form

Instructions: Twenty four (24) months of data are required from the time you start using your grant-funded equipment. We suggest 4 reports covering 6 months each.

Data report from: _____
Name of project sponsor (organization that received grant)

Today's Date: _____

Grant # 16-210

Date of initial data report (when you began tracking data) _____

Timeframe of this report:

From _____ **To** _____ **Number of Months:** _____

Below, list pounds or tonnage of recyclables collected as a result of recycling equipment purchased with NRC grant funds. (Break out the number of pounds of each material e.g. cardboard, paper, cans, etc is optional)

If you have any other information or recycling-related success stories you'd like to share, please include here or attach with your report.

Email to: Heather Creevan, hcreevan@nrcne.org

Or mail to: Nebraska Recycling Council, 610 J Street, Suite 300, Lincoln, NE 68508
