Our mission: To maximize the economic and environmental benefits of resource recovery in Nebraska  
 To join NRC pay online at <https://nrcne.org/become-a-member/>

**\*NRC members that join USCC have an automatic membership in the Nebraska Chapter\***

## Why Join the U.S. Composting Council?

<b>Voice of the Industry</b>	<i>Professional representation in &amp; monitoring of regulatory and legislative policy hearings, and your presence at national, regional and state conferences and events</i>
<b>Career Development</b>	<i>Professional certification of compost operators and professionals, mentoring program and Career Center</i>
<b>Member-to-Member Discussion Across the US—no matter where you are!</b>	<i>Networking through directory and portal-only messaging; online member portal, discussion groups and in-person at conference meetings; member committees on compost use, advancing organics recycling, membership and advocacy/policy</i>
<b>Educational Programs &amp; Training Discounts</b>	<i>10% Discount on Compost Operations Training (COTCs); free webinars; publications &amp; white papers</i>
<b>Organizational &amp; Personal Promotional &amp; Growth Opportunities</b>	<i>USCC social media platforms and monthly e-newsletter highlighting members only; member preference for USCC blog/call for speakers</i>
<b>Ramp Up Your Career</b>	<i>USCC's Professional Certification programs for operations, consulting, equipment and other professionals provide proof of your expertise</i>
<b>Grow the Industry</b>	<i>Young Professionals leadership program, annual mentoring cohort, volunteer programs and business development contests (Emerging Composter Challenge) and coaching for young entrepreneurs</i>
<b>Connect and Save with Industry Partners</b>	<i>Discounts for industry partner publications, conferences and events; notification of events/opportunities in the industry and allied industries</i>
<b>Leadership in Developing Markets for Compost</b>	<i>USCC's STA Certified Compost Program gives an edge (and a discount) to member participants who can demonstrate quality compost; market development program focuses on bringing new buyers to the table for our members and industry</i>
<b>Industry Leadership</b>	<i>Member committees and opportunity to serve in for board of directors positions</i>
<b>Industry Updates</b>	<i>Keep up with fellow members and industry news on LinkedIn, Youtube, Facebook and Instagram.</i>
